

Yorkville Holdings Investor handbook

Introduction

We are a group of experienced traders who have had significant success through prudent investments in the finance markets industry for over 10 years. That means, we are able to pay our investors for as many years as they choose to remain with us.

Our team has been actively trading for long enough, through various economic shifts hence we are able to make high margin trades that enable us to pay our investors great consistent profit on their investment. Our group is made up of American, Asian, Australian, African, Canadian and European traders, thus we are able to watch all the different markets at once, almost 24 hours a day.

Our Mission and Vision

Our Mission

Our mission is to provide our investors with a great opportunity for their funds by investing as prudently as possible in high value financial markets to gain high rates in return.

Our Vision

Our vision is to see lots of improved lives around the world as a direct result from our platform and services

Our Investment Philosophy

- 1 Superior Long-term Compound Growth**

We focus on achieving superior long-term compound growth over time by seeking out and investing in what we see are the best publicly listed businesses in the world.
- 2 Capital Preservation**

We place a great deal of importance on assessing downside risk. We attempt to know as much about the portfolio companies as we can, this will mitigate the permanent loss of capital.
- 3 Diversification**

We aim to concentrate enough of our best ideas so as not to dilute overall returns but hold enough positions to provide an appropriate level of diversification.

Our Investment Strategy

Low volatility

Companies that display low volatility of cash flows, which provides a level of certainty.

Superior returns on capital

Companies that achieve high margins.

Dominant in its industry

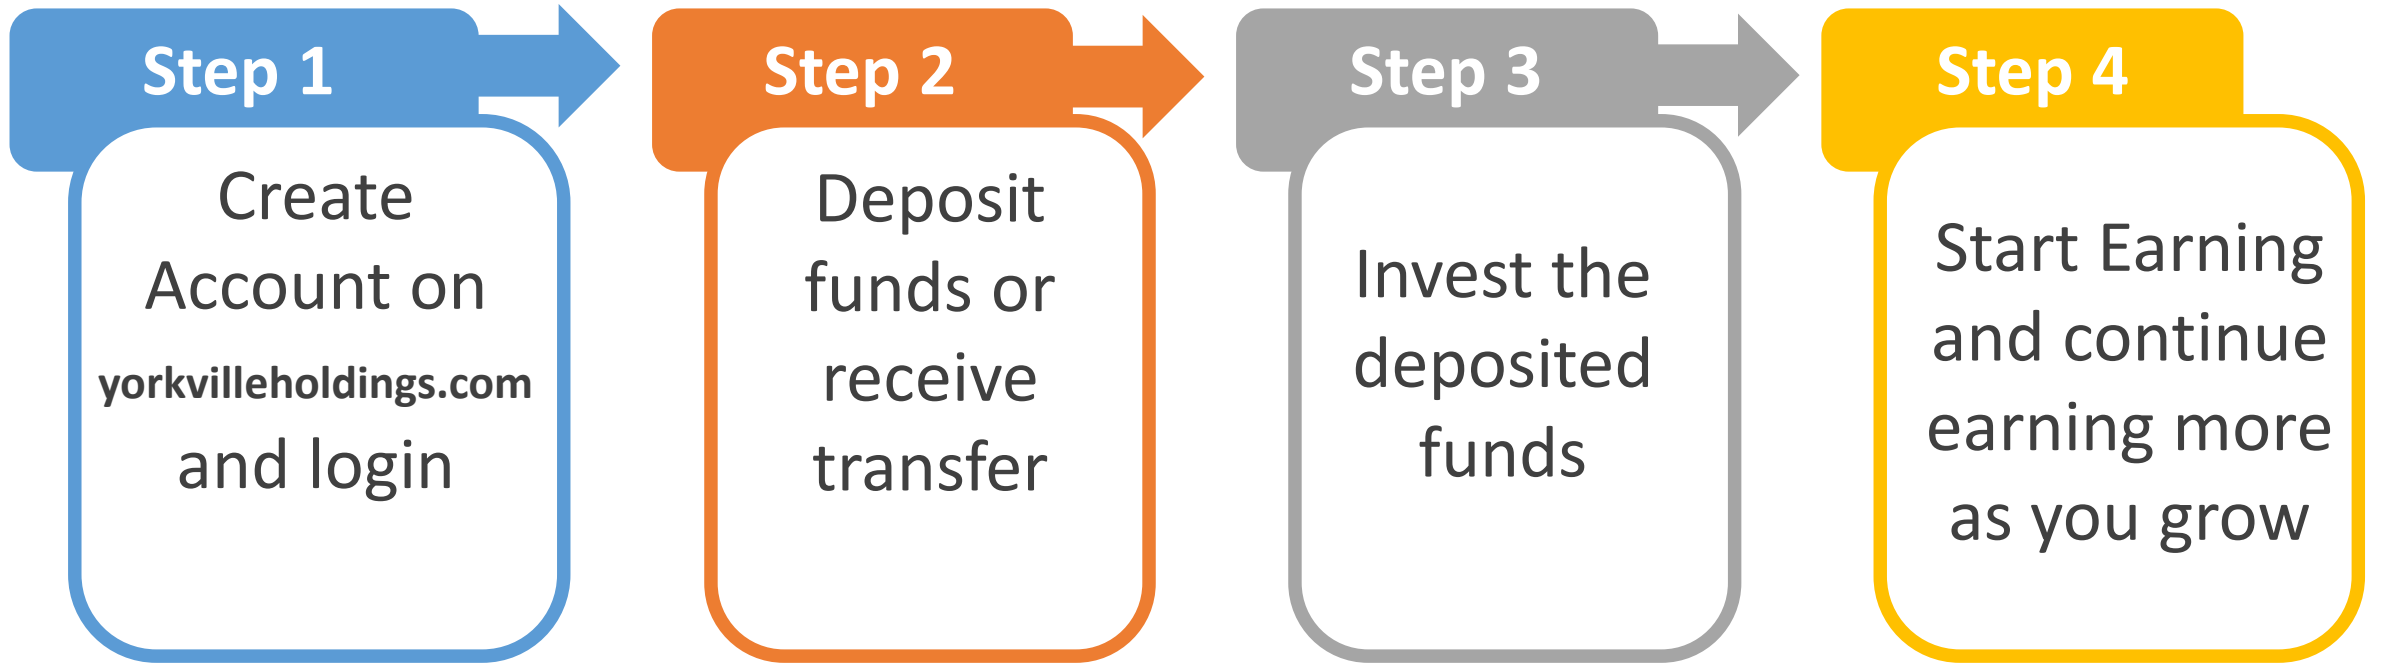

Companies that have better tech and reach than their competitors in the industry.

High growth

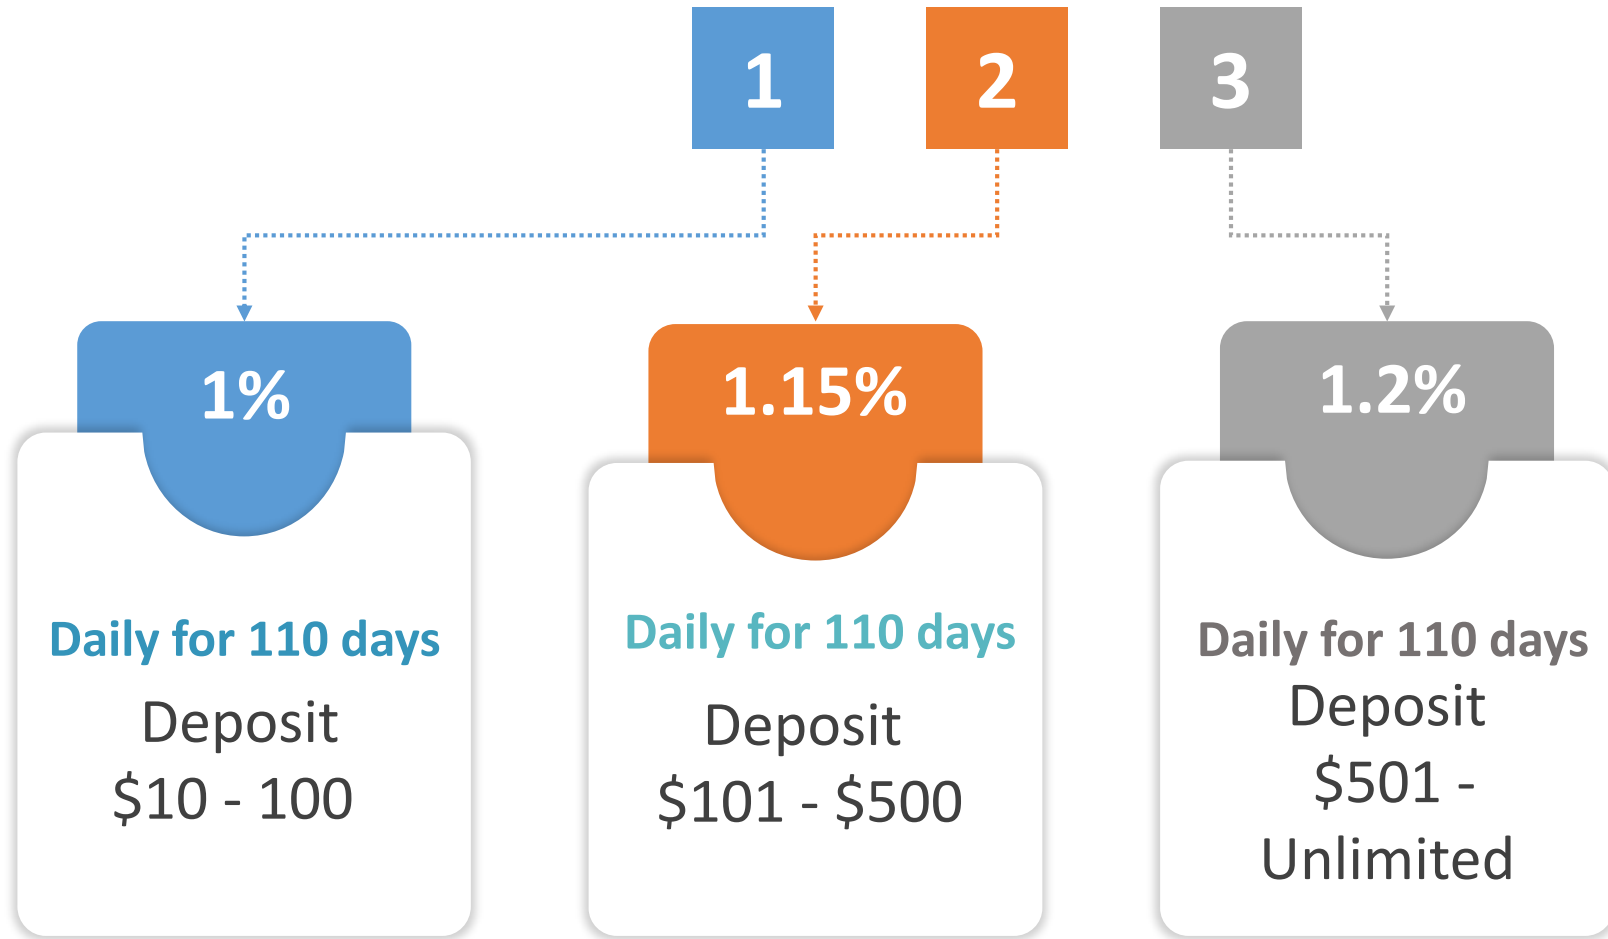

Free cash flows should display growth over time.

The process

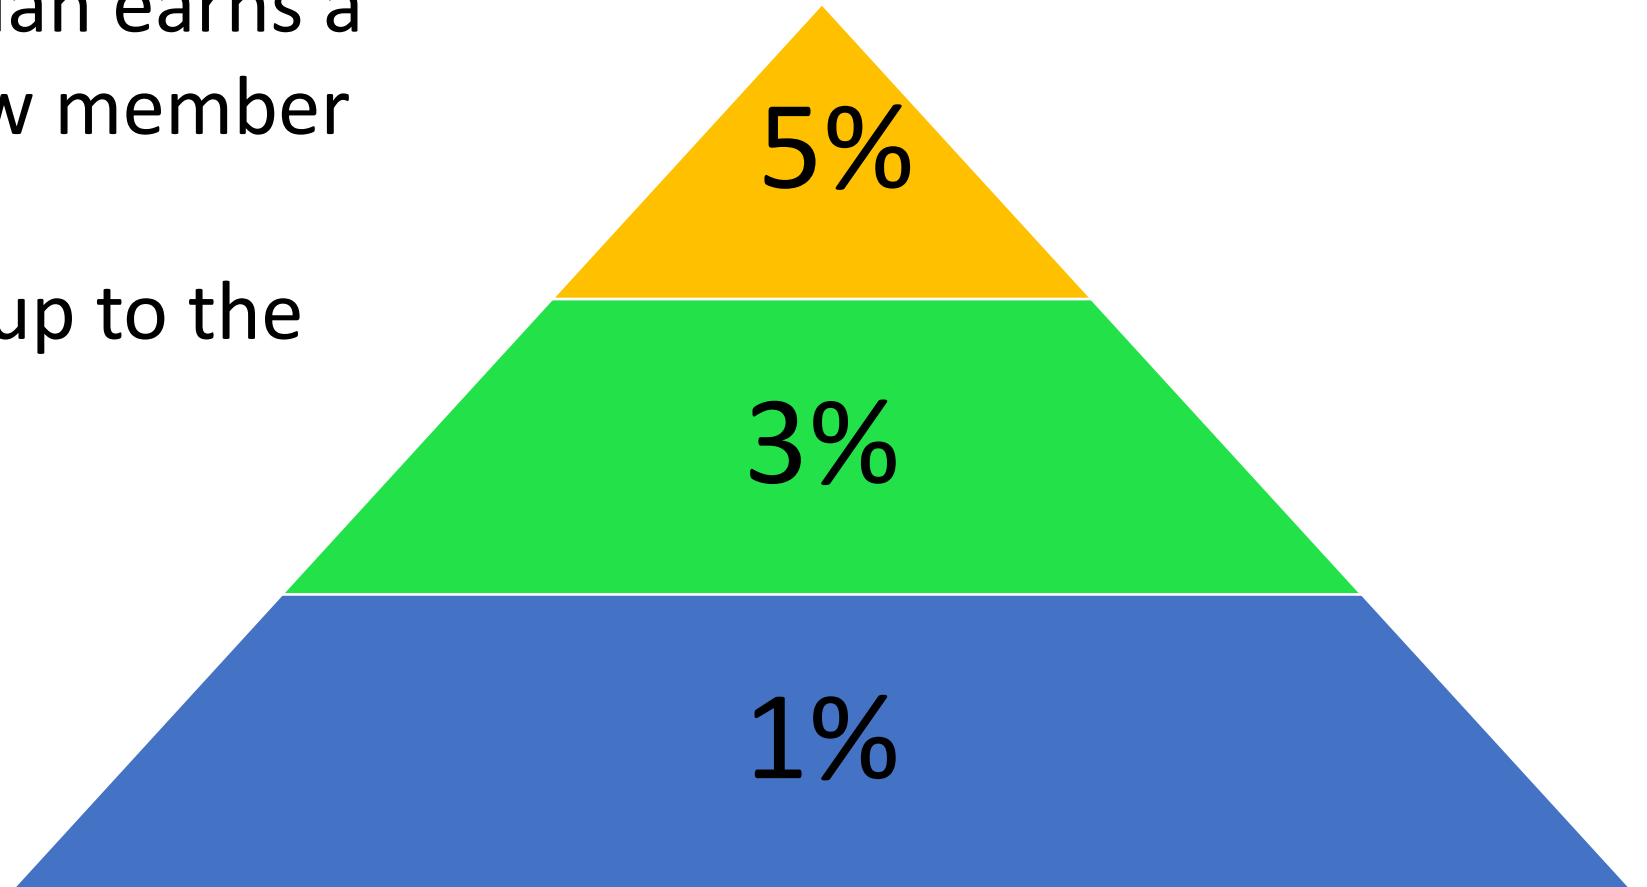

Compensation Plan

Referral commission

Each Investment Plan earns a bonus for each new member that invests.

This bonus is paid up to the third level
